FOIT'S ON THE LAKE

Foit's on the Lake, located on Lakeshore Road in Athol
Springs (Hamburg), has been famous for its fish fries,
seafood and steaks and magnificent view of Lake Erie
for over 50 years.

Their menu features "Foit's Famous Fish Fries," broiled
seafood plates, steaks, fowl and chops.
Dinner entrees include a wide variety of fresh seafood,
including broiled shrimp and scallops, lobster and their
popular Haddock or Shrimp Shrimp Giovanna. Among
dessert items offered are fresh-baked pies and
cheesecakes. Foit's menu also offers specially priced din-
ners for juniors and seniors - a nice feature not found at
many restaurants.

Foit's is presently gearing up for its fourth annual
"Father's Day Weekend," which offers a free steak, fish
fry or brunch for father.

Also coming up June 24-25 is Foit's anniversary party
featuring free champagne at its upstairs lounge from 8
p.m. until 2 a.m., and a complimentary gift certificate
worth \$5 per couple which will be available in next
week's Sun and Penny Saver.

Foit's new "Lite 'R Side" menu offers snacks, sandwiches
and a la carte entrees like Hamburg's "worst" burger.
The menu also has an assortment of fresh salads as well
as a daily soup, salad and sandwich special for \$1.95.

Foit's is open for lunch Monday through Friday, dinners
daily and on Sunday at 1 p.m.

Foit's unique nautical decor, using ships' ropes and
polished wood and accented with such fascinating
artifacts as a diver's suit, a submarine compass housing,
a ship's signal lamp and wheel, combined with the ex-
panse of windows overlooking the lake, gives diners the
feeling of actually being on a large yacht. Adjoining the
two dining rooms is a private banquet room with a
capacity of over 250 people which is available for all
types of parties.

Foit's staff pride themselves on their fine food, friendly
service and beautiful lakeshore location.
